

# 2017 WORKSHOP SERIES

## JOIN US!

### Get Ready<sup>®</sup>, King County.

#### *Identify Your Risk*

Learn about business continuity, disaster response, and the cost benefit of preparing for an earthquake and power outage.

#### *Develop a Plan*

Identify preparedness and mitigation actions needed to ensure safety and business continuity. Complete assessments and begin planning for retrofit projects.

#### *Take Action*

Work with other business, community, and local leaders to discuss your response to an earthquake and a widespread power outage.
